Unit 6 CAPITALIZATION, PUNCTUATION, AND SPELLING

Lesson 48: Abbreviations (pp. 216–219)

Remember

An **abbreviation** is a short form of a word that begins with a capital letter and ends with a period. Use most abbreviations only in special kinds of writing, such as addresses. An **initial** is an abbreviation of a first or middle name. An initial is written as a capital letter followed by a period. State names used with ZIP codes have two-letter abbreviations. Capitalize both letters, but don't use periods

Follow the directions in parentheses to change each item. Write the item using capital letters and periods correctly.
