### Unit 2 Nouns

#### Lesson 10: Irregular Plural Nouns (pp. 48–51)

##### Remember

Some nouns have **irregular plurals**. In most, cases the spelling of the noun changes to form the plural. In a few cases, the plural noun and the singular noun are the same.

Write the plural form of the noun in parentheses to complete each sentence.

1. The Robinsons have thirty sheep on their farm. (sheep)
2. The dentist will clean your teeth. (tooth)
3. Can you think of any nursery rhymes about mice? (mouse)
4. The three women formed a singing group. (woman)
5. These boots will keep your feet dry. (foot)
6. We heard the honking of geese, and we looked up. (goose)
7. Both horses and oxen help do work on farms. (ox)
8. The children asked many questions about snakes. (child)
9. This play has parts for five men. (man)
10. Both deer jumped over the stone wall. (deer)
11. How huge those moose are! (moose)
