Unit 3 VERBS

Lesson 21: Irregular Verbs (pp. 96–99)

Remember

Irregular verbs do not add *-ed* to show the past tense. Instead, the spelling of an irregular verb changes to form the past tense. The spelling of many irregular verbs changes again when they are used with the helping verbs *has*, *have*, and *had*.

Write the past-tense form of the verb in parentheses to correctly complete each sentence.
