Pronto is our new puppy. His fur is soft, and his tail is long. His eyes are bright, and his tooths are sharp. Pronto is our familys' favorite pet ever. I love puppys, but they can be trouble. I found that out today.

Pronto and I were playing under the bushes in our yard. When the phone rang, I went into the house. Dr. Ramirez our dentist had called to cancel my father's Appointment.

Back in the yard, I couldn't find Pronto anywhere. Then I noticed the gate was open. Pronto must have gone down Maple avenue a very busy street! I ran down the sidewalk all the way to reynold's Park. None of the childrens along the way had seen Pronto.

I decided to run home to get my moms help. To save time, I cut through a few neighbor's yards. When I got home, a surprise was waiting for me. My little puppy met me at the gate!
