

Unit 4 Adjectives, Adverbs, Conjunctions, and Prepositions

Lesson 39: Prepositional Phrases (pp. 172–175)

Remember 0

A **prepositional phrase** is a group of words that begins with a preposition and ends with its object. The object is the noun or pronoun that follows the preposition. A prepositional phrase includes a preposition, the object of the preposition, and all the words between them. When a prepositional phrase begins a sentence, use a comma to separate it from the rest of the sentence.

Underline the prepositional phrase once. Underline the object (or objects) of the preposition twice.
